¹ The Coordination Group for Departmental PC/Network Support is a coordination group for technical staff of departments to share new technology information and experience in providing technical support on PC and network facilities within departments. More information about this group is available at <http://www.itservices.hku.hk/pcnetcg/>.

² The Departmental Information Security Coordinator Group is a consortium of departmental representatives focusing on information security. The Group aims at fostering information sharing and exchange of good practices and know-how among departments for enhancing the information security of the University through concerted effort. More information about this group is available at <http://www.itservices.hku.hk/infosecurity/>.
